In case of group certificate, the sites covered by this certificate and their individual scopes can be found on the MSC website.

More information about the client and/or products and/or units can be obtained at the website of Control Union Peru (certifications.controlunion.com) or by contacting Control Union Peru.

This certificate recommends the eligibility of the certificate holder to use the MSC ecolabel after obtaining and comply with an ecolabel license agreement with MSC. Use of the MSC logo on (trade) products is only allowed for products mentioned under “products” in the annexes of this certificate.

The products included in the scope of this certificate can be traded as MSC certified products after the information of this certificate is updated in the MSC website.
